

# Genuine Oak

## PRODUCT FACT SHEET

### Genuine Oak Range

Featuring wide floorboards, the Genuine Oak range can make even the smallest of rooms appear spacious due to fewer visible joints, improving the overall aesthetic. With its natural timber appearance and high quality grade, the length specifications of this range ensures areas are not overwhelmed by shorter floorboards.

Presented in a range of shades from light to dark, you will find the ideal stain to suit your home or commercial space. With hues inspired by the latest European trends in major projects and developments, our Genuine Oak range will be sure to make a statement.
